TRUSD APPs Portal

What is the TRUSD APPs Portal?

The TRUSD Apps Portal will makes it easier to access instructional and curriculum applications without having to login multiple times. The TRUSD App Portal is how you access applications such as: SWUN, Think Central, My.HRW, myPerspectives, iLit, iReady, Collections, and more.

How to Login to TRUSD Apps Portal:

1. Browse to <u>http://apps.twinriversusd.org</u> or click the icon on your desktop of your district computer.

2. Click the "Sign in with your TRUSD account" button

 Enter your district username and password at the next login Page then click the "Sign In" Button. Hint -> It is the same username and the password you use to log in to a district computer.

Sign in with your organizational account

5. Many applications are organized into folders. Click the folders to find the application you want to access. Then click the application tile. Applications with a key icon on the top right corner will either auto login or store your password in a locker*.

* For apps/sites you have created your own account you will sign username and password that you have created, the TRUSD App portal will use your password locker to sign you into those apps. You can skip this step if you do not want the apps portal to auto log you into those sites.
