RE: COVID-19 Update

Twin Rivers Families and Community:

Twin Rivers Unified is committed to keeping our families up-to-date with information on COVID-19 as we receive guidance from the California Department of Public Health and Sacramento County Public Health. At this time, public health officials have not diagnosed any cases of COVID-19 in our schools and have not advised that we close schools.

However, after long and careful deliberation, and in collaboration with other surrounding districts, we have determined it best to temporarily close our schools to protect the health and well-being of our students and staff as we try to help slow the spread of COVID-19. All schools will be closed from Monday, March 16 through Friday April 3. Our Spring break will still be held from Monday, April 6 through Monday, April 13. Schools will resume session on Tuesday, April 14.

The District will use this time to conduct a deep cleaning and sanitizing of all sites and departments.

As this is a rapidly evolving situation, we appreciate your patience and understanding.

Sincerely,

Steve Martinez, Ed.D.
Superintendent, Twin Rivers Unified
