**PRESS RELEASE**

**Statement from Twin Rivers Unified Board President Michelle Rivas and Superintendent Dr. Steven Martinez**

**McClellan, CA**— We are relieved and grateful that authorities have a person of interest in custody. At the same time, we are shocked to learn that the individual is a Twin Rivers dropout who last attended classes in December 2016.

Our immediate concern is with the victims and their families. They face a long road of grieving and will need the support of the entire community. We know you join us in keeping them in our thoughts and prayers.
