- This is for the entire month (not just the last day of the month).

If ADA falls below 85% program-wide – please explain. In doing so, review and analyze the program’s attendance data. When responding to why, consider the following guiding questions:
1) What stands out for you?
2) What questions arise for you?
3) What is clear about the data?
4) What is confusing about the data?
5) Does the data identify program strengths?
6) Are there areas that need attention?
