

COLLABORATIVE DIALOGUE FOR ENGLISH LEARNERS: A Focus 5 Strategy

Are you looking for ways to get your students talking more effectively? Join us to learn about collaborative dialogue structures that will grow students' language development, literacy, and content learning.

We will share strategies that are effective in distance learning *and* in-person learning. Join us for the session and try the strategies with your students the next day!

December 7, 2020

**3:30 - 5:00 p.m.
Zoom Session**

Register for *either*
the TK-6 OR 7-12
session through
Frontline/
Professional Growth
