*To inspire each student to
extraordinary achievement
every day*

June 9, 2023

To Staff and the Twin Rivers School Community,

School's out for the summer! What a bittersweet time for all of us in Twin Rivers. It's always a little sad saying goodbye to students for summer break. We already miss their dazzling smiles, infectious laughter and boundless energy.

There are so many clichés and sentimental expressions that have been shared over the years to say goodbye to a school year and welcome in the warm days of summer. I certainly remember fondly the feeling of the last day of school when I was just a young boy. Closing my locker for the last time that year and thinking about the fun that I would have with my brothers and sisters, friends in the neighborhood and the many days of outdoor play, where the sound of school bells was replaced by laughter or the crack of the bat on a baseball.

With another school year now behind us, I hope that everyone is looking forward to a brief reprieve from the daily school schedule, enjoying more time to relax and engage in fun activities with family and friends.

Around TR!

- **Hats Off to Our TR Graduates** – It was wonderful to see all the families and friends celebrating the class of 2023. All the best to our graduates in the next chapter in their lifelong learning journey. A high school diploma is a symbol of incredible achievement and tremendous opportunity. I am proud of the teachers and staff who helped our graduates earn their diplomas, and proud and hopeful for the young adults who will no doubt use their diploma to advance careers and continuous learning.
