Gina Carreón, Chief Human Resources Official
COVID-19 Prevention Program

An Addendum to the Injury and Illness Program

In accordance with TITLE 8, DIVISION 3, CHAPTER 6, Subchapter 7. General Industry Safety Orders Section 3200, COVID-19 Prevention

TWIN RIVERS UNIFIED SCHOOL DISTRICT

COVID-19 School Guidance Checklist

January 14, 2021

Reopening Plans
School based COVID testing – TRUSD program

OSHA required testing

Weekly testing offered to staff at any site with 3 or more on-site cases in a 14 day period, until no cases for 14 days. (provided through our Vault PCR COVID saliva testing program, available since September 2020).

https://testing.covid19.ca.gov/school-testing/
## Covid Testing

- **TRUSD was the first to offer all employees COVID testing**
- **Free of charge**
- **Available since last fall**

Modified classroom layouts to ensure safe social distancing
Upgraded air-filtration systems - with MERV 13 filters
Physical Distancing - signage and floor markings used to help remind about social distancing
Plexiglas barriers in offices and common areas
Plumbing fixtures and flushing tested
Transportation modification to maintain social distancing
Grab and go meals
Health and Safety Preparation

- **Hygiene** - restrooms and handwashing sinks in classrooms stocked with soap and paper towels, hand sanitizer is also available in locations throughout campus, touchless dispensers for soap/sanitizer and paper towels throughout facilities

- **Masks and other protective equipment** - face coverings will be required of all students, staff, and visitors while on campus, PPE location at every site

- **Passive screener for staff and students**

- **Disinfecting classroom furniture and other surface** - facilities are being kept clean and sanitized daily

- **PPE kits for every classroom**, including masks, gloves, cleaning supplies, and a touchless thermometer
Vaccinations

✅ We are working with health clinics to offer vaccinations in our district
✅ Employee vaccinations
✅ Community member vaccinations

What we know about Vaccines:

☐ Not required for reopening per CDC guidelines
☐ Efficacy after the first dose – 14 – 20 days
  ☑ Moderna and Pfizer effectiveness is 75% according to preliminary analysis from the Mayo Clinic
**Vaccination Clinic Offerings in our District**

- County opened Tier 1B on February 16\(^{th}\)
- Twin Rivers has approximately 3,300\(^{st}\) staff (certificated, classified, management)
- Staff also have access through county vaccination centers and their own providers
Principal Site Walks and Readiness

• Verification of classroom set up
• Submission of work orders
• Collaboration on furniture moves
• Ordering of PPE and classroom kit distribution
• Safety planning with ingress and egress
• Student Supervision planning
• Student Materials Storage
• Health Office and Symptom Rooms
Site Planning: Ingress and Egress
A Focus on Our Students
Student and Parent Feedback

- Parent Survey for in person versus distance learning
- Parent Surveys of Hybrid Return Options
- Parent Engagement Sessions (FACE)
- Community Advisory Committee (CAC)
- Superintendent's Parent Advisory Meetings
- Superintendent's Student Advisory Committee
Road to Return:

Instructional Model

Hybrid Model
Students in small cohorts attend class in-person two days a week AND attend class virtually two days a week.

Virtual Model
Students attend class 4 days a week virtually and work independently 1 day per week.

Independent Study Model
Students work independently 5 days a week with a check-in with their teachers one day a week.
Cohort Construction And Balancing

- Site Leadership confirmation and balancing of A and B cohorts
- Notification of parents of cohort schedules
- Classroom seating confirmation
- Staffing decisions
- Additional Nursing Services
- Classroom moves
- Instructional minute schedules
