

Testing from Home – Student Protocols

During distance learning, you will take assessments from home. Remember: assessments are your opportunity to show what you have learned. Please follow these guidelines:

Purpose: To gather information about your progress towards mastering grade level standards.

Do not allow your brothers, sisters, friends or parents to help answer questions.

What you can have help with:	What you must do on your own:
Setting up technology	Take the test
Getting the test in your Google Classroom	

How to keep the test safe and secure:

- You may not talk about the test or questions before, during or after you take it.
- You may not record or take pictures of any part of the test on a camera or any other device.

Your teacher will schedule the dates and times of assessments throughout the school year. If you have questions or concerns, please reach out to your teacher for more information.

Per board policy, failure to follow these instructions could result in a failing grade or other disciplinary procedures.
