Dear Twin River Families,

We are pleased to share with you our digital access portal.

What is the TRUSD APPs Portal?
The TRUSD Apps Portal makes it easy for students to access instructional, curriculum and district applications without having to login multiple times. This allows for easier access to digital education resources that your children need to be successful at school and at home.

How to Login to TRUSD Apps Portal:
Your child can access ClassLink in two different ways - either on a computer or a mobile device. Please follow the below directions to have your child get signed in!

<table>
<thead>
<tr>
<th>Computer Usage</th>
<th>Mobile Usage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Here is how to help get your child started on a <strong>computer:</strong></td>
<td>Here is how to help get your child started on a <strong>mobile device:</strong></td>
</tr>
</tbody>
</table>
| 1. Go to this website: [apps.twinriversusd.org](http://apps.twinriversusd.org)  
Link is also located at the top of all school site web pages (TRUSD APPS) | 1. Download the appropriate app:  
**iOS**  
**Google Play**  
[QuickCard by ClassLink](https://quickcard.classlink.com) (for iPad users who use the QuickCard)  
*Be sure not to use the mobile device’s browser and only these mobile app options.* |
| 2. Click “Sign in with your TRUSD account” button or with your or click the **QR button** to use the QuickCard (access for primary students). | 2. Click the arrow in the top right corner to search for and choose “Twin Rivers Unified School District” |
| 3. Students use their student number and password to sign in. | 3. Click the “Sign in ADFS” button or with your or click the **QR button** to use the QuickCard (access for primary students). |
| 4. My Apps is where all online resources are located. Click the folders to find the applications you want to access and then click the tile to access digital resources. | 4. Students use their student number and password to sign in. |

* A message may prompt you to install the classlink extension when accessing the TRUSD apps portal on a personal device - this extension must be installed to use classlink.  
* Please view this quick start guide for more information on how to use and navigate the TRUSD apps portal.  
* Some applications such as i-Ready have a separate APP that may need to be downloaded from the your devices application store.
