

STUDENT HEALTH, WELLNESS & PREVENTION

MEMO FROM TRUSD NURSES

Dear Families,

We miss you and cannot wait to see you in our schools again. However, our priority is everybody's health, safety, and wellbeing.

For this reason, we are monitoring information from the leading health organizations to provide you with the most current and accurate information.

It is also important to know that students will need to meet requirements for enrollment when applicable (i.e. complete immunization records, medication authorization forms, etc.)

Many doctor's offices have already opened for immunizations, well-child checks, eye exams, and other necessary appointments. Please call your healthcare provider and schedule an appointment as soon as possible to avoid delays in the enrollment process of your child.

For assistance with obtaining medical and/or dental services call Sacramento Covered at (916)414-8333 or visit : <https://tinyurl.com/Sacramento-Covered>
