

**REQUEST FOR PROPOSALS
FOR LUNCH-RECESS PE-SOCIAL EMOTIONAL
LEARNING PROGRAMS – RFP 22-027**

ADDENDUM NO. 1 – DATED MAY 16, 2022

I. EXTENSION OF PROPOSAL DUE DATE

The proposal due date is extended to 3:00 p.m. on May 19, 2022. Please submit your proposal by email to: debbie.gordon@twinriversusd.org

II. CLARIFICATIONS/RESPONSES TO RFI'S

Below are questions received by the May 13 deadline, with the District's responses shown in *red*.

1. The end of Question 13 on the RFP cuts off mid-sentence. Can you please let us know what the rest of the statement should be? *The sentence fragment at the end of this section should be omitted.*
2. When will the RFP award/s be finalized and how can this information be obtained? *Estimated dates are provided in the RFP, Sec. VI.*
3. Section IV, letter A, last bullet point (see below). Could you please provide more context for the weekly progress report. What is the district's expectation and how should it be delivered?

• *Vendor should provide weekly progress reporting to the site principal and staff.*

Weekly reports should include at a minimum a summary of all points pertinent to the program, including activities and learning for the week, a report of how those activities met program objectives, any changes in staff or program content, staff absences, if any, an overview of plans for the coming week, and an opportunity for feedback from the site staff and principal.

4. Would it be possible to receive the scoring rubric for RFP listed below?

2021 REQUEST FOR PROPOSALS FOR PE-SOCIAL EMOTIONAL LEARNING PROGRAM PROVIDER
FOR DISTRICT SCHOOLS

Please see attached RFP. Scoring rubric is in Sec. VI.

5. Per the item below from the RFP, it doesn't seem that the panel would be interested in reviewing discounted program fees for Multi-year contracts. Is this correct?

14. Multi-Year Contracts: The District intends to approve vendors for programs during the 2022-23 school year. Any contract renewals would be subject to availability of funding, and at the District's option. You can include that in your proposal as an option.

6. Is this required to be held daily? How many students are we required to serve?
The frequency of program days will ultimately be determined by the site – you should just propose your daily or weekly schedule and rate, your number of staff at the sites, etc. and a projected cost based on those numbers.
7. What is the timeframe for the activities (what time of day should it be held)? *The program would be for lunch and recess times, during the school day.*
8. What sites will this be held at? Are there a minimum or maximum number of sites we must work at? Can we select specific sites, such as Grant feeder schools only?
The purpose of the RFP is to identify potential vendors and review their program offerings. Choice of vendor for each school will ultimately be up to the site administrator. There is no minimum number of participating sites; and a site administrator may choose not to have this program at all. You can specify sites, if you want.
9. Is this supposed to be 1-on-1 time for students? If not, is there a required ratio? *There is not a prescribed number, but your proposal should identify your staff-to-student ratios, show the size of groups for team activities and show how you intend to serve all students.*
10. Is there any restriction on what we spend funding on? *Your fee structure can include training and mentoring but we will need a breakdown.*
11. How long would staff be on school grounds? *Program operates at lunch and recess; exact schedule to be worked out with site staff.*
12. Would an office space be provided for staff? *No*
13. What is the daily school schedule that program leaders would follow?
 - Example: would they monitor recess then go monitor lunch and then after have a PE class for a grade level or class? *To be worked out with site staff.*
14. Is there state mandated curriculum that staff would need to follow? *The program is to promote physical education with the social-emotional components of teamwork and collaboration., Exact program elements are up to the bidder.*
15. Is it elementary and middle school students? *Primarily K-6*
16. Would staff have access to PE and school supplies for students? *Not necessarily.*
17. Are funds for this program restricted? *Please see question 10.*

II. OVERVIEW OF THE DISTRICT

The Twin Rivers Unified School District ("District") is a K-12 public school district located in northeastern Sacramento County with a 2020-21 enrollment of approx. 25,000 students. In 2008, four area school districts, Grant Joint Union High School District and the Rio Linda, North Sacramento and Del Paso Heights Elementary School Districts, unified to create the Twin Rivers Unified School District.

The districts serve the communities of North Sacramento, Del Paso Heights, Rio Linda, North Highlands and Foothill Farms. The district has four high schools, two junior high schools, three charter junior high schools, one creative arts junior high school, one technology academy (middle school grades), 30 elementary schools, two alternative schools, two adult schools and one special education preschool.

The District is in an economically diverse region characterized by a mix of residential development and light industry. Although there is a potential for growth, a moratorium has been placed on construction in the Natomas area. In terms of family income, 90% of District students are currently eligible for Federal Free and Reduced price meals.

The district is governed by a seven member Board of Trustees and is under the day-to-day leadership of Steven Martinez, Ed.D. who was appointed District Superintendent effective July 1, 2013.
