**FROM:** Twin Rivers Unified School District

McClellan Park, CA 95652

**PROJECT TITLE:** Sale of land located at 505 Morey Avenue, Sacramento, California, 95838, referred to as Assessor's Parcel Numbers 250-0083-022-0000.

**PROJECT LOCATIONS:** Assessor's Parcel Number 250-0083-022-0000

### DESCRIPTION OF NATURE, PURPOSE AND BENEFICIARIES OF PROJECT:

The Project consists of the District selling surplus real property to Donald and Cecilia Paulson in accordance with the terms of a Purchase and Sale Agreement.

**NAME OF PUBLIC AGENCY APPROVING PROJECT:** Twin Rivers Unified School District

**NAME OF PERSON OR AGENCY CARRYING OUT PROJECT:** Twin Rivers Unified School District

**EXEMPT STATUS:** The District has determined that the Project is exempt from CEQA pursuant to Title 14 of Cal. Code Regs. §§ 15061(b)(2), 15061(b)(3), and 15312.

### REASON PROJECT IS EXEMPT:

The Class 12 exemption (Cal. Code Regs., tit. 14, § 15312) applies to the sale of surplus government property, except for parcels of land located in an area of statewide, regional, or areawide concern. Here, the Property is owned by the District and is thus a government Property. Further, it is surplus to the District's needs. Finally, the Property is not located in an area of statewide, regional, or areawide concern. Therefore, the Class 12 exemption is applicable.

Additionally, the cumulative impact of successive projects of the same type in this same place are not significant, there is no reasonable possibility that the sale will have a significant effect on the environment due to unusual circumstances, the sale will not result in damage to scenic resources, the Property is not a hazardous waste site, and the sale will not cause a substantial adverse change in the significance of a historical resource.

Finally, the catch-all common sense exemption (Cal. Code Regs., tit. 14, § 15061(b)(3)) applies where it can be seen with certainty that a Project will not have a significant effect on the environment. Here, the proposed Property is being sold by the school district. This sale involves only the transfer of title. The transfer of title will not change the nature or intensity of the current

use of the Property. Therefore, it can be said with certainty that the Project will not have a significant effect on the environment.

Thus, under Title 14 of the California Code of Regulations, sections 15061(b)(2), 15061(b)(3), and 15312, the Project is exempt.
