

The CDC has developed videos on schools reopening during COVID-19:

- School Reopening with COVID-19: [Maintain Healthy Operations](#)
- School Reopening with COVID-19: [Promote Healthy Behaviors](#)

Promoting Family Practices at Home with Materials such as:

- The CDC's [Back to School Planning: Checklists to Guide Parents, Guardians, and Caregivers](#)
- [CDC Checklist for Families](#)
- Mental Health and Community Resources ([COVID-19 District Webpage](#), and FACE website for [Resources for Family and Students](#)) to help parents, guardians, and caregivers navigate stress and uncertainty and to build resilience with their students.

Twin Rivers Unified School District is committed to train staff and provide educational materials, protocols, and resource lists for families in the following safety actions:

- Sanitation practices
- Safe practices for the use of personal protective equipment (PPE)
- Physical distancing guidelines
- Proper usage and care of face coverings
- Screening practices
- COVID-19 specific symptom identification
- Dedicated COVID-19 resource webpage
- Support navigating remote learning for families with the website
- Mental health services and supports
- Information regarding COVID-19 leaves for staff (contact Human Resources)

## Testing of Students & Staff

### Plan for COVID-19 Testing

The District shall post on the District webpage a list of available testing sites, including those offered on school site/District locations as available, on a monthly basis.
