

If a student or staff member does not have a face covering, one will be provided to them.

Schools must exclude students from campus if they are not exempt from wearing a face covering under CDPH guidelines and refuse to wear one provided by the school. Schools should develop protocols to provide a face covering to students who inadvertently fail to bring a face covering to school to prevent unnecessary exclusions. Schools should offer alternative educational opportunities for students who are excluded from campus

Staff Personal Protective Equipment (PPE)

Face coverings for staff (masks or face shields) must be worn while working in accordance with CDPH and Cal/OSHA standards. [Link to the Department of Public Health.](#)

Office space examples of when a face covering is now required:

- Interacting in person with any member of the public.
 - Working in or walking in common areas such as hallways. Common areas include all cubicles.
- When in rooms where other people are present and unable to distance (this includes any in-person meeting).

Face shields may be used in addition to face coverings if staff choose.

Face shields with drape or clear masks may be used instead of face coverings in specific situations where the mouth of the adult needs to be visualized by students in order to provide instruction per CDC and CDPH guidelines.

Health Screenings for Staff and Students

Student Daily COVID-19 Self/Guardian-Checklist

During 100% distance learning, when students are brought on to campus for 1:1 essential services, the District shall ask parents to screen students at home prior to coming on campus, and stay home for any COVID-like symptoms or close exposure to others with COVID-19. In addition, upon arrival to on campus, students will enter through the main entrance of the school site to undergo an active screening, including temperature and review of symptoms. Anyone displaying or reporting symptoms will be rescheduled for another time when appropriate.

During introduction of small cohort groups onto campus the following will apply: the District shall ask parents to screen students at home prior to coming on campus, and stay home for any COVID-like symptoms or close exposure to others with COVID-19. In addition, upon arrival to
